

COMMUNICATION TO THE SUPPLIERS

DETOX commitment states that all companies have to erase hazardous substances from their production, their process and all the production process through the supply chain.

Miroglio Fashion also commits with the most transparency to improve (audits) control and formation of the suppliers making sure that the most updated infos about the groups of substances indicated in the commitment are available to them.

For this purpose, respecting the roadmap, Miroglio Fashion is organizing a meeting with its suppliers on 12th May 2015 in Prato, in cooperation with Prato Industrial Union, about terms and ways of subscription to the campaign.
